## Moonshine Katie Melua

Well my eyes are closed

Bm G

But my heart s on fire

A Bm

Because the clock is approaching
The midnight hour
I leave my window open
All the lights are out
And from the darkest night
Comes the lightest shout

Moonshine

Bm G

Moonshine moon

A Bm

The cow jumped over the moonshine moon

Bm G A Bm

Moonshine

Moonshine moon

I ll love you tonight under the moonshine moon

Well as we walk through the streets
There s no-one nowhere
And our nightgown s trailing
And our feet are bare
I don t know where we re going
And I don t care
Just as long as you re here
And the moon s up there

Moonshine
Moonshine moon
The cow jumped over the moonshine moon
Moonshine
Moonshine moon
I ll love you tonight under the moonshine moon

Now all the little boys and girls around the town Dreaming through the darkness till the moon goes down But me and my baby gonna be up all night Dancing under the moonlight

Moonshine

Moonshine moon
I ll love you tonight under the moonshine moon
Moonshine
Moonshine moon
The cow jumped over the moonshine moon
