This is so easy! I ve just outlined the chords in the first verse and chorus as they re the same throughout the entire song. I ve just been experimenting with down-strokes on each of the beats (double-time, just follow the rhythm of the bass line on the track). But you can pretty much do what you want with it.

Enjoy!

**F** **A#m**  
Standing at the bar with my friend Olivia,  
**F#** **F**  
We were trying our best to catch up.  
**F**  
That s when he walked over,  
**A#m**  
said I d like to get to know you,  
**F#** **F**  
but all I could say is look I m sorry love.

**F** **A#m**  
You see I ve had difficulties too many time before,  
**F#** **F**  
and right now it s not really my thing.  
**F** **A#m**  
He said just give me two minutes of your time  
**F#** **F**  
and tell me what you like me to be offering.

**F**  
It s not that easy,  
**A#m**  
It s not that easy,  
**F#** **F**

These days can t find a man to please me.

**F** **A#m**

Their lines are far to cheesy,

**F#** **F**

No boy is on a level believe me,

**F** **A#m**

No boy is on a level believe me,

**F#** **F**

These days can t find a man to please me,

**F** **A#m**

No boy is on a level believe me,

**F#** **F**

These days can t find a man to please me.

You don t have to have a lot of money,

All you ve got to have is fire burning deep in your soul.

If you have a dream for something that you love,

I ll support you yeah I ll play my role.

Now I won t call you 20 times a day,

Because I ve got my own shit to do.

When you see my name flashing on your phone,

I want you to feel butterflies for me too.

It s not that easy,

Its not that easy,

These days can t find a man to please me.

Their lines are far to cheesy,

No boy is on a level believe me,

No boy is on a level believe me.

These days can t find a man to please me,

No boy is on a level believe me,

These days can t find a man to please me

Now one thing I can t stand is arrogance,

There is no way we would ever get along,

But one thing I love is confidence,

And humility to know when you ve been wrong.

Now I love a bad boy mantality,

But I don t want to be visiting no jail.

Just know someone out there mocking me,

Be my gangster when its time to get real.

It s not that easy,

Its not that easy,

These days can t find a man to please me.

Their lines are far to cheesy,

No boy is on a level believe me,

No boy is on a level believe me.

These days can t find a man to please me,

No boy is on a level believe me,

These days can t find a man to please me.
