Call the Sun - Katy J

[Intro]

**C/G G Am F C/G G F F**

**C/G G Am F**  
Someone call the sun cause I ve fallen again

**C/G G Am F**  
November skies became December cries became more questions why

**C/G G F**  
Someone please call the sun

**C/G G Am F**  
I ve been loving strangers, been left by my lover and desert skies are like my insides

**C/G G Am F**  
Cold .... cold... cold... so cold...

**C/G G F**  
Someone please call the sun

**C/G G F**  
Someone please call the sun

**C/G G Am F**  
I ve been tattered, I ve been torn I ve been searching for something more

**C/G G Am F**  
But you ve finally come clean, you ve finally come clean, you ve finally come clean,  
you ve finally come clean,

**C/G G F**  
Someone please call the sun

**C/G G F**  
Someone please call the sun

**C/G G F**  
Someone please call the sun

**C/G G F**  
Someone please call the sun

**C/G G F**  
Someone please call the sun

**C/G G F**  
Someone please call the sun
