

Worth Fighting For
Katy Mccalister

Ok this is my first tab that Ive ever done by ear so I hope its right. It sounds ok to play along to so....

Standard tuning

Capo 2nd fret

INTRO:

F C Am G F
F C Am G F

VERSE 1:

Am G
The sky is turning golden now.

F
Wish you were with me, now.

G
My body aches for you.

Am
Feels empty since you left.

G F
Is anybody left, that isnt broken,

G
shattered, confused?

F C
Its not that I dont understand your side,

Am
Its just hard to contemplate why a

G
love this deep goes unanswered.

F C
Im going places in this life,

Am

and I want you by my side.

F G

Do you remember that night?

CHORUS:

C G

And as you tell me goodbye

Am

I see that look in your eyes

C G

I never wanted you to breakdown.

F C

We found real love in this cold world,

Am

isn't that what life's about?

C G

We can get away from this town.

F C

I know exactly how I hurt you,

Am

there's nothing left but the truth.

C G

We can change this life.

F

One step at a time.

F G

I know there's so much more.

F

isn't that worth fighting for?

G Am C G

VERSE 2:

Am

It's been so long I'm growing,

G **F**
we ve lost the only one who can fix me,

G
now its me who s breaking down.

Am
I know you see me broken

G
but theres so much unspoken

F
please give us hope,

G
cause ill never let you go.

F **C**
Its not that Im forgiving myself,

Am
its just Im going through hell

G
to try and think of words to save me.

F **C**
Its not so much that I am missing you,

Am
its more like Im so lost without you.

F **G**
Id give anything for you to just take me.

CHORUS:

C **G**
And as you tell me goodbye

Am
I see that look in your eyes

C **G**
I never wanted you to breakdown.

F **C**
We found real love in this cold world,

Am
isn t that what lifes about?

C **G**
We can get away from this town.

F **C**
I know exactly how I hurt you,

Am
theres nothing left but the truth.

C **G**
We can change this life.

F
One step at a time.

F **G**
I know theres so much more.

Am
isnt that worth fighting for?

BRIDGE:

F **C**
Honestly tell me, you look at me

G
and dont remember everything?

Am **F**
You re scared and thats ok.

C
I know that theres a way,

G **F** **G**
for us to really be something happy.

CHORUS:

F **G**
And as you tell me goodbye

Am
I see that look in your eyes

C **G**
I never wanted you to breakdown.

F **C**
We found real love in this cold world,

Am

isnt that what lifes about?

C

G

We can get away from this town.

F

C

I know exactly how I hurt you,

Am

theres nothing left but the truth.

C

G

We can change this life.

F

One step at a time.

F

G

I know theres so much more.

F

isnt that worth fighting for?
