

A Cup Of Coffee

Katy Perry

G **A**

I take these turns
A bit too fast

Bm

Trying to leave you
In my past

G **A**

The CD skips
Our favorite songs

Bm

Our greatest hits
Just don't belong

G **A**

I really love
To hate this

Bm

Love hate
Hate love
relationships

G

Are over-rated

A **Bm**

Over my dead body
Is how this will end

G

He said it's over

A

And i could go for

Bm

Another chance to do
This over again

Refrão:

G **D** **A**

So this is it?
After all

We've been thru

G **D** **A**

We call it quits
And-a i'm about to

G D **A**

Wash my prints oh

Bm

The little i had left

E/G#

He said it's over

And i could really go

G D/F#

For a cup of coffee

G D

And an overdose

Bm

Leave it all behind

E/G#

me You ll see it

When you finally find me

G D/F# G D

Comatose or pretty close

G D/F#

Cover up copy

G D

And an overdose

G A

I pop these pills

Like cracker jacks

Bm

And the price

That plays dice

Just watching you react

G A

When your depressed you

Sleep too much

Bm

I m not sure

If i m waking up

G

Are over-rated

A Bm

Over my dead body

Is how this will end

G

He said it s over

A

And i could go for

Bm

Another chance to do

This over again

(Repetir Refrão)
