She say she want a Migo night, now I ask her, What s the price? (hold on)

If she do right, told her get whatever you like

I grab her legs and now divide, aight

Make her do a donut when she ride, aight

Looking at the eyes of a dime, make you blind

In her spine and my diamonds change the climate

Sweet tooth (sweet), no tooth fairy

No) Whipped cream (whip), no dairy

Milk) Got her hot light on, screaming, I m ready

(Hot) But no horses, no carriage
