

Choose Your Battles

Katy Perry

Introdução: **Bm G D Em C**

Bm

You are my hurt locker lover
Keep me walking on a wire

G D Em C

Don't know when you'll blow

Bm

So I tiptoe through your triggered mind
You fight me but I'm on your side

G D Em C

Defeated, now retreating

Em

Bm

Why you tryna make me your enemy

C

All you really need is a little peace

Bm D Em

I just wanna be your lo---ver

Bm

Oh, this is not a competition

C

So baby why the ammunition

Bm D C

I don't wanna be the last one standing

G

D

Choose your battles, babe

Bm

C

Then you'll win the war

G

D

Stop digging your own grave

Bm

C

When there's so much to live for

G

D

Choose your battles, babe

Bm

C

Am

Cause I'm not fighting anymore

D

Bm G D Em C

I am not fighting anymore

Bm

I've tried to pick off your red flags
While dancing on broken glass

G

D

Em

C

Your mind games hit like grenades

Bm

Feel cursed just like the Kennedy s
But you somehow get me on my knees,
G D Em C
Defeated, now retreated

Em Bm

Why you trying to make me your enemy
C

All you really need is a little peace

Bm D Em
I just wanna be your lo---ver

Bm
Oh, this is not a competition
C

So baby why the ammunition

Bm D C
I don t wanna be the last one standing

G D
Choose your battles, babe

Bm C
Then you win the war

Stop digging your own grave

Bm C
There s so much to live for

G D
Choose your battles, babe

Bm C Am
Cause I m not fighting anymore, no

D Bm
I am not fighting anymore

D
If you wanna go, then go

Bm D
If you wanna stay then stay

Bm D Am
Cause I don t wanna fight no more, baby

D Bm
I am not fighting anymore

D
If you wanna go, then go

Bm D
If you wanna stay then stay

Bm D
I don t wanna fight no more

Am D Bm
Anyway, I am not fighting anymore
