

**Firework**  
**Katy Perry**

[Intro] **G F7M/C Em C9**

[Primeira Parte]

**G**

Do you ever feel

**F7M/C**

Like a plastic bag

**Em**

Drifting through the wind

**C9**

Wanting to start again

**G**

Do you ever feel

**F7M/C**

Feel so paper thin

**Em**

Like a house of cards

**C9**

One blow from caving in

**G**

Do you ever feel

**F7M/C**

Already buried deep

**Em**

Six feet under screams

**C9**

But no one seems to hear a thing

**G**

Do you know that there s

**F7M/C**

Still a chance for you

**Em**

**C9**

Cause there s a spark in you

[Segunda Parte]

You just gotta

**G Am7**

Ignite the light

**Em C9**

And let it shine

**G Am7**

Just own the night

**Em C9**

Like the 4th of July

[Refrão]

**G Am7**  
Cause, baby, you re a firework  
**Em C9**  
Come on show em what you re worth  
**G Am7**  
Make em go, ah, ah, ah  
**Em C9**  
As you shoot across the sky  
**G Am7**  
Baby, you re a firework  
**Em C9**  
Come on, let your colors burst  
**G Am7**  
Make em go, ah, ah, ah

You re gonna leave them all in  
**Em C9**  
Awe awe, awe

[Repete a Primeira Parte]

**G**  
You don t have to feel  
**F7M/C**  
Like a wasted space  
**Em**  
You re original  
**C9**  
Cannot be replaced  
**G**  
If you only knew  
**F7M/C**  
What the future holds  
**Em**  
After a hurricane  
**C9**  
Comes a rainbow  
**G**  
Maybe you reason why  
**F7M/C**  
All the doors are closed  
**Em C9**  
So you could open one that leads  
  
You to the perfect road  
**G**  
Like a lightning bolt  
**F7M/C**  
Your heart will glow  
**Em C9**  
And when it s time, you ll know

[Segunda Parte]

You just gotta

**G Am7**

Ignite the light

**Em C9**

[Terceira Parte]

**Em**

Boom, boom, boom

**C9**

Even brighter than the moon, moon, moon

**G**

It s always been inside of you, you, you

**D**

And now it s time to let it through

[Refrão]

**G Am7**

Cause, baby, you re a firework

**Em C9**

Come on show em what you re worth
