Well, I m in love with this amazing song and I ve made a simple version of Futuristic

for all the people who loves Katy Perry! Enjoy!

**Em**

You re so hypnotising

**C**

could u be the devil, could you be an angel

**G**

your touch magnetizing

**D**

feels like going floating, leave my body glowing

**Em**

They say be afraid

**C**

you re not like the others, futuristic lovers

**G**

**D**

different DNA, they don t understand u

**C**

You re from a whole other world

**Em**

a different dimension

**C**

you open my eyes

**G**

**D**

and im ready to go, lead me into the light

**Em**

**C**

Kiss me, k-k-kiss me

**G**

**D**

infect me with your love, and fill me with your poison

**Em**

**C**

take me, t-t-take me

**G**

**D**

wanna be your victim, ready for abduction

**Em**

**C**

**G**

**D**

boy, you re an alien, your touch so far away

**Em**

**C**

**G**

**D**

its supernatural, extraterrestrial

**Em**

You re so super sonic

**C**

wanna feel your powers, stumb me with your lasers

**G**

**D**

your kiss is cosmic, every move is magic

**C**

You re from a whole other world

**Em**

a different dimension

**C**

you open my eyes

**G**

**D**

and im ready to go, lead me into the light

**Em**

**C**

Kiss me, k-k-kiss me

**G**

**D**

infect me with your love, and fill me with your poison

**Em**

**C**

take me, t-t-take me

**G**

**D**

wanna be your victim, ready for abduction

**Em** **C**

**G**

**D**

boy, you re an alien, your touch so far away

**Em** **C**

**G**

**D**

its supernatural, extraterrestrial

**C**

**C**

There is this transcendental, on another level

**Em** **G**

**D**

boy, you re my lucky star

**C**

**C**

i wanna walk on your wave length

**Em**

and be there when you vibrate

**G**

**D** (let it ring...)

for you i risk it all

all

**Em**

**C**

Kiss me, k-k-kiss me

**G**

**D**

infect me with your love, and fill me with your poison

**Em**

**C**

take me, t-t-take me

**G**

**D**

wanna be your victim, ready for abduction

**Em** **C**

**G**

**D**

boy, you re an alien, your touch so far away

**Em**      **C**                      **G**                      **D**

its supernatural, extraterrestrial

**Em**      **C**                      **G**

**D**

Extraterrestrial

**Em**      **C**                      **G**

**D**

Extraterrestrial

**Em**      **C**                      **G**                      **D**

boy, you re an alien, your touch so far away

**Em**      **C**                      **G**                      **D**

its supernatural, extraterrestrial

See ya! xoxo
