Letra y acordes de Hot N Cold

(Lyric and music by *Katy Perry, Dr. Luke y Max Martin*)

SOL RE LAm DO  
You change your mind like a girl changes clothes  
SOL RE LAm DO  
Yeah you, PMS like a bitch, I would know  
SOL RE LAm DO  
And you always think always speak correctively  
SOL RE LAm DO  
I should know that you re no good for me

SOL RE  
Cause you re hot then you re cold, you re yes then you re no  
LAm DO  
You re in and you re out, you re up and you re down  
SOL RE  
You re wrong when it s right, it s black and it s white  
LAm DO  
We fight, we break up, we kiss, we make up

SOL RE  
You, You don t really want to stay, no  
LAm DO  
You, but you don t really want to go  
SOL RE  
You re hot then you re cold, you re yes then you re no  
LAm DO  
You re in and you re out, you re up and you re down

SOL RE LAm DO  
We used to be just like twins so in sync  
SOL RE LAm DO  
The same energy now s a dead battery  
SOL RE LAm DO  
Used to laugh bout nothing now your plain boring  
SOL RE LAm DO  
I should know that you re not gonna change

SOL RE  
Cause you re hot then you re cold, you re yes then you re no  
LAm DO  
You re in and you re out, you re up and you re down
