F G

You make me feel like I m losing my virginity

Em F

The first time and the time when you touchin me,

F G

I make you bloom like the flower that you never seen.

Em F

Under the sun we are one buzzin energy.

Let s party to create affinity

This evolution with you comes naturally.

Some call it signs we call it chemistry

This is the story of the birds and the bees

Am G

Even the seasons change

C F

I want it to stay the same.

You give me that...

F G

Hummingbird Heartbeat

Em F

Spread my wings and make me fly

F G

The taste of your honey is so sweet

Em

When you give me the Hummingbird Heartbeat

Hummingbird Heartbeat

Flown a million miles just to find the magic seed
Oh I would flower with the power that bring light to me.
Your so exotic, my whole body fluttering
Constantly craving for a taste of your sticky sweet

Always on the brink of a heart attack
You can be alive and keep me coming back
I see the sun rise in your eyes
You gotta future full of blue skies

Even the seasons change
I want it to stay the same.

You give me that...
Hummingbird Heartbeat
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me the Hummingbird Heartbeat
