Verse 2 (Same as verse 1)

Maybe I was too pale, maybe I was too fat

Maybe you had better, better luck in the sack

No formal education, And I swore way too much

But I swear you didn t care

Cause we were in love

So as I write this letter, and shed my last tear

It s all for the better, that we end this year

Let s close this chapter, say one last prayer

But don t say that you loved me

Chorus

**F**

Cause I m still breathing

**Dm**
