

I Think Im Ready

Katy Perry

(intro) **C**

(verso 1)

C

I m used to opening my own
doors and splitting the checks
The introduced me

F

was always just a friend
I bought a new dress

C

he never noticed

C

Always falling for these
bad boys such a challenge
I m getting tired of

F

cleaning up after them
I think I m ready

C

to be a woman

(chorus 1)

G

Oh love

F

I think I m ready

C

ready for it

(verso 2)

C

You were such a
surprise an
unexpected gift
Said I was pretty

F

and I believed it
Not really used to

C

all this attention

C

Told myself I
don t deserve you
And this is
just a phase
Could I get used to

F

being loved the right way
I want to argue but

C

there is nothing to say

(chorus 2)

G

Oh love

F

I think I m ready

C

ready for it
ready for it

G

Oh love I

F

think I m ready

(bridge)

F

Cause you send me flowers
when there s no occasion

Am

Yeah we talk for hours
you still want to listen

Dm

Won t hold it against me if I

G#

C

just need you to hold me tonight

(verso 3)

C

My mother always told
me that you d show up one day
(hold)
(So scared) to feel this way

(chorus 3)

G

But love

F

I think I m ready

C

ready for it
ready for it

G

Oh love I

F

think I m ready

G

Oh love I

F (hold)

think I m ready
