

If you can afford me

Dsus2                    A

If you want me, a cherry on top,

Bm                                    G

The pick of the peck, the crème de la crop

D                                    A            Bm                                    G

If you wanna ride, just name your price don t play cheap, with your heart

D                                    A            Bm            G

Don t make a bet if you can t write the check, for me, for me.

D                                    A

Cuz I can be bought, but you ll pay the cost

G

If you can afford me
