I wish I could just Turn you on
But a battery in And make you talk
Even pull A string for you To say anything

I can t put you Back together again

Cause you re not a man

You re just a Mannequin

I wish you could feel

that my love is real

But you re not a man

You re just a toy

Could you ever be A real, real boy

And understand

But you re not a man

[**Am Em Cm**]

If the cost is the problem

My future could solve it baby

I could bring it life

If you let me inside baby

It s so hard

But in the end

You ll be a man

You re not a man

You re just a Mannequin

I wish you could feel

that my love is real

You re a toy

Could you ever be

A real, real boy

And understand

But you re not a man

You re not a man

You re just a Mannequin

I wish you could feel

that my love is real

But you re not a man
