You re just a toy
Could you ever be A real, real boy
And understand
But you re not a man

[Am Em Cm]

If the cost is the problem
My future could solve it baby
I could bring it life
If you let me inside baby
It s so hard
But in the end
You ll be a man

You re not a man
You re just a Mannequin
I wish you could feel
that my love is real
You re a toy
Could you ever be
A real, real boy
And understand
But you re not a man
You re not a man

You re just a Mannequin I wish you could feel that my love is real But you re not a man
