

**Part Of Me**  
**Katy Perry**

**Dm**                    **F**                    **Bb**    **C**  
Days like this I want to drive away  
**Dm**                    **F**                    **Bb**            **C**  
Pack my bags and watch your shadow fade  
                    **Dm**                    **F**  
You chewed me up and spit me out  
                    **Bb**                    **Bb**  
Like I Was poison in your mouth  
          **C**            **Dm**                    **F**  
You took my light, you drink me down  
                    **Bb**  
But that was then and this is now  
**Bb**    **C**  
Now look at me

Refrão:

**Dm**                    **F**  
This is the part of me  
                    **Bb**                    **Bb**                    **C**  
That you re never gonna ever take away from me (no)  
**Dm**                    **F**  
This is the part of me  
                    **Bb**                    **Bb**                    **C**  
That you re never gonna ever take away from me (no)  
**Dm**                    **F**                                    **Bb**  
    Throw your sticks and stones throw your bombs and blows  
                    **Bb**                    **C**  
But you re not gonna break my soul  
**Dm**                    **F**  
This is the part of me  
                    **Bb**                    **Bb**                    **C**  
That you re never gonna ever take away from me (no)

**Dm**                    **F**                    **Bb**    **C**  
I just wanna throw my phone away  
**Dm**                    **F**                    **Bb**  
Find out who is really there for me  
          **C**            **Dm**                    **F**  
You ripped me off, your love was cheap  
                    **Bb**                    **Bb**  
It s always tearing at the seams  
          **C**            **Dm**                    **F**  
I fell deep and you let me drown  
                    **Bb**  
That was then and this is now  
**Bb**    **C**  
Now look at me

(Refrão)

**C** **Dm**

Now look at me, I m sparkling

**F** **C**  
A firework, a dancing flame

**Dm**  
You won t ever put me out again

**F**  
I m glowing ohohoh

**C** **Dm**  
So you can keep the diamond ring

**F** **C**  
It don t mean nothing anyway

In fact you can keep everything (Yeah, yeah)  
Except for me?

(Refrão) 2x)
