

Save As Draft

Katy Perry

[Intro] **F#m D A**
F#m D A

F#m D A
I remember when you used to be my every other thought
F#m D A
But now my calendar s so full, it s easier to move on
F#m D A
Sometimes I swear I pass your SUV on Sunset Boulevard
F#m D A
I don t fuck with change, but lately I ve been flipping coins a lot

A
I struggle
I juggle

Asus2
I could just throw a line to you
F#m D
But I should let sleeping dogs lie
Cause I know better, baby

A
I write it
Erase it

Asus2
Repeat it

F#m
But what good will it do
E D
To reopen the wound

F#m D A
So I take a deep breath
F#m D A
And I save as draft

F#m
You don t have to subtweet me
D A
My number s always been the same
F#m
But all s been said and done
D A
Will we ever really close this case?

F#m D A
Yeah, I will always be here for you, but I could no longer stay
F#m D A

Still my body goes in shock every time I hear your name

A

I struggle

I juggle

Asus2

I could just throw a line to you

F#m **D**

But I should let sleeping dogs lie

Cause I know better, baby

A

I write it

Erase it

Asus2

Repeat it

F#m

But what good will it do

E **D**

To reopen the wound

F#m **D** **A**

So I take a deep breath

F#m **D** **A**

And I save as draft

E

I ve heard you ve done some changing

F#m

I ve been rearranging

A

Wish that I could know, but I just don t know

E

Never get that time back

F#m **A**

Fear we d fall in old traps

Why can t we just let go

E **F#m** **A**

Staring at a fork in the fucking road

A

I struggle

I juggle

Asus2

I could just throw a line to you

F#m **D**

But I should let sleeping dogs lie

Cause I know better, baby

A

I write it

Erase it

Asus2

Repeat it

F#m

But what good will it do

E D

To reopen the wound

F#m D A

So I take a deep breath

F#m D A

And I save as draft
