

Small talk
Katy Perry

D A G A D
Isn't it strange that you used to know me?

A G A D
All the highs and lows and in-betweens and now you see me and just say hey

A G A D
Isn't it weird that you've seen me naked?

A G A D
We had conversations 'bout forever, now it's 'bout the weather? okay

A G
And I just can't believe

A D A G A
We went from strangers to lovers to strangers in a lifetime

D A G
Now just memories

A D A G
We've gone from strangers to lovers to strangers, yeah

D A G A D
Acting like we never met, faking like we'd just forget

A G A D
We were lovers and now there's nothing left but small talk

A G A D
Had every inch of your skin, there's nowhere your hands haven't been

A G A D
Ain't it funny, 'cause now there's nothing left but small talk

D
Isn't it wild that I know your weakness?

D
And everybody at the party thinks that you're the best since sliced bread

A G A D
And isn't it awkward I got a new somebody?

A G A D
And honestly it'll probably be a while before we can just be friends

A G
And I just can't believe

A D A G A
We went from strangers to lovers to strangers in a lifetime

D A G
Now just memories

A D A G
We've gone from strangers to lovers to strangers (small talk)
