

Small talk
Katy Perry

Eb **Bb** **G#** **Bb** **Eb**
Isn't it strange that you used to know me?

Bb **G#** **Bb** **Eb** **Eb**
All the highs and lows and in-betweens and now you see me and just say hey

Bb **G#** **Bb** **Eb**
Isn't it weird that you've seen me naked?

Bb **G#** **Bb** **Eb**
We had conversations 'bout forever, now it's 'bout the weather? okay

Bb **G#**
And I just can't believe

Bb **Eb** **Bb** **G#** **Bb**
We went from strangers to lovers to strangers in a lifetime

Eb **Bb** **G#**
Now just memories

Bb **Eb** **Bb** **Eb** **G#**
We've gone from strangers to lovers to strangers, yeah

Eb **Bb** **G#** **Bb** **Eb**
Acting like we never met, faking like we'd just forget

Bb **G#** **Bb** **Eb**
We were lovers and now there's nothing left but small talk

Bb **G#** **Bb** **Eb**
Had every inch of your skin, there's nowhere your hands haven't been

Bb **G#** **Bb** **Eb**
Ain't it funny, cause now there's nothing left but small talk

Eb
Isn't it wild that I know your weakness?

Eb
And everybody at the party thinks that you're the best since sliced bread

Bb **G#** **Bb** **Eb**
And isn't it awkward I got a new somebody?

Bb **G#** **Bb** **Eb**
And honestly it'll probably be a while before we can just be friends

Bb **G#**
And I just can't believe

Bb **Eb** **Bb** **G#** **Bb**
We went from strangers to lovers to strangers in a lifetime

Eb **Bb** **G#**
Now just memories

Bb **Eb** **Bb** **Eb** **G#**
