

Small talk
Katy Perry

E B A B E
Isn't it strange that you used to know me?

 B A B E
All the highs and lows and in-betweens and now you see me and just say hey

 B A B E
Isn't it weird that you've seen me naked?

 B A B E
We had conversations 'bout forever, now it's 'bout the weather? okay

 B A
And I just can't believe

B E B A B
We went from strangers to lovers to strangers in a lifetime

E B A
Now just memories

B E B A
We've gone from strangers to lovers to strangers, yeah

E B A B E
Acting like we never met, faking like we'd just forget

 B A B E
We were lovers and now there's nothing left but small talk

 B A B E
Had every inch of your skin, there's nowhere your hands haven't been

 B A B E
Ain't it funny, 'cause now there's nothing left but small talk

 E
Isn't it wild that I know your weakness?

 E
And everybody at the party thinks that you're the best since sliced bread

 B A B E
And isn't it awkward I got a new somebody?

 B A B E
And honestly it'll probably be a while before we can just be friends

 B A
And I just can't believe

B E B A B
We went from strangers to lovers to strangers in a lifetime

E B A
Now just memories

B E B A
We've gone from strangers to lovers to strangers (small talk)
