Ε
Summer after high school when we first met
We make out in you mustang to radio head
And on my 18th birthday we bought matching tattoos
Used to steal your parent s liquor and climb to the roof
Talk about our future like we had a clue
Never planned that one day I d be losing you
In another life I would be your girl
            C#m
We keep all our promises be us against the world
                         G#m
In another life I would make you stay
              C#m
So I don t have to say you were the one that got away
The one that got away
I was June you were my johnny cash
Never one without the other we made a pact
Sometimes when I miss you I put those records on woah
Someone said you had your tattoo removed
