Bb **Dm** **C**
I just wanna use your love
C
tonight, tonight, tonight. tonight, tonight
Bb **Dm** **F**
I don t wanna lose your love tonight

Same as the first verse:

All my girls are no where to be found
they all split when I m in trouble
but I ll tell you all my secrets if you stick around
the undercover-lovers under the covers
I just wanna use your love
tonight, tonight, tonight. tonight, tonight
I don t wanna lose your love tonight

Chords Vary but mostly in-- **Dm**

I just wanna use your love l-o-v-e, l-o-v-e
I just wanna use your love l-o-v-e, l-o-v-e
Bb
I just wanna use your love l-o-v-e, l-o-v-e, l-o-v-e

try to keep my head from spinning
too much to drink - not making sense
been a while since I ve been with someone new
but I can t stop the way I m feeling

Same as the first again:

As you leave please would you just close the door
now that our love affair is over
you re exactly what I was looking for
well go find a shoulder to cry upon

I just wanna use your love
tonight, tonight, tonight, tonight - tonight!
I don t wanna lose your love tonight

I just wanna use your love
tonight, tonight, tonight, tonight - tonight!
I don t wanna lose your love tonight
I just wanna use your love
tonight, tonight, tonight, tonight - tonight!
I don t wanna lose your love tonight
