Walking On Air
Katy Perry

```
  D#m                        C#        B        C#
(Tonight, tonight, tonight, I m walking on air
  D#m                               C#      B       C#
Tonight, to-to-tonight, to-to-tonight, I m walking on air)

       D#m
You ve given me sweet, sweet ecstacy
          C#        B  C#
Yeah, you take me to utopia
       D#m
You re reading me like erotica
        C#              B    C#
Boy you make me feel exotic yeah

 B
Just when I think I can t take anymore
     D#m
We go deeper and harder than ever before
     C#                                    C# -Once
We go higher and higher, I feel like I m already there

(*Single strum)
             B *
I m walking on air, tonight
             D#m*
I m walking on air
    C#*        B*                B*
I m walking, I m walking on air, tonight
             D#m*
I m walking on air           ( C#* B* )

             B
I m walking on air, tonight
             D#m
I m walking on air
    C#           B             B
I m walking, I m walking on air
                     D#m       C# B
Tonight, I m walking on air
             D#m
I m walking on air (To-to-to-night, to-to-to)

 D#m                          C#           B      C#
This is pure paradise, even heaven is jealous of our love
 D#m                          C#           B      C#
Yes we make angels cry, raining down on us from up above
