

Wide Awake
Katy Perry

Capo on 3rd

[Verse]

Em **G D A**
I m wide awake

Em **G D A**
I m wide awake

Em
I m wide awake

G
Yeah, I was in the dark

D
I was falling hard

A
With an open heart

Em
I m wide awake

G **D** **A**
How did I read the stars so wrong

Em
I m wide awake

G
And now it s clear to me

D
That everything you see

A
Ain t always what it seems

Em
I m wide awake

G **D** **A**
Yeah, I was dreaming for so long

[Pre-chorus]

Em
I wish I knew then

G
What I know now

D
Wouldn t dive in

A
Wouldn t bow down

Em
Gravity hurts

G

You made it so sweet

D

Till I woke up on

A

On the concrete

[Chorus]

Em **G** **D** **A**

Falling from cloud 9

Em **G** **D** **A**

Crashing from the high

Em **G** **D** **A**

I m lettng go tonight

Em **G** **D** **A**

(Yeah I m) Falling from cloud 9

Em

I m wide awake

G

Not losing any sleep

D

I picked up every piece

A

And landed on my feet

Em

I m wide awake

G **D** **A**

Need nothing to complete myself - noohooo

Em

I m wide awake

G

Yeah, I am born again

D

Outta the lion s den

A

I don t have to pretend

Em

And it s too late

G **D** **A**

The story s over now, the end

[Pre-chorus]

Em

I wish I knew then

G

What I know now

D

Wouldn t dive in

A

Wouldn t bow down

Em

Gravity hurts

G

You made it so sweet

D

Till I woke up on

A

On the concrete

[Chorus]

Em G D A

Falling from cloud 9

Em G D A

Crashing from the high

Em G D A

I m letting go tonight (yeah, I m letting go)

Em G D A

I m Falling from cloud 9

Em G

Thunder rumbling

D A

Castles crumbling

Em G D A

I am trying to hold on

Em G

God knows that I tried

D A

Seeing the bright side

Em G D A

But I m not blind anymore...

Em G D A

I m wide awake

Em G D A

I m wide awake

[Chorus]

Em G D A

Yeah, I m Falling from cloud 9

Em G D A

Crashing from the high

Em G D A

You know I m letting go tonight

Em G D A

I m Falling from cloud 9

Em G D A

I m wide awake

Em G D A

I m wide awake

Em G D A

I m wide awake

Em

G

D

A

I m wide awake

Em

G

D

A

I m wide awake
