

Wish You The Worst
Katy Perry

i do not know what the first chord is but i m playing it:

D(?)xx2322

D?

I saw you

D

At the grocery store

Oh You both looked happy

D?

D

Picking out the usual

She s a carbon copy

G

Bb/H

Of everything you lost

A

Of everything I m not

I guess you just forgot

How to pick em

If she s the one

I ve heard about

I m disappointed

If she s the reason

Why you left

I m not impressed at all

Well

This looks like the end

Yeah

We can still be friends

Congratulations

Refrain:

D Bb/H F

Let me be the first

G

To wish you the worst

D Bb/H

Cause I think you

F G

Deserve each other

D Bb/H F

Let me the curse

That creeps

G Bb/H

Under your skin

F

Until your heart
Caves in

G

And you wish

D

She was me again

And again

And again

And again

Well, someone had
To tell the truth
and I m always honest
I read you
Like an open book
And it s obvious to me
She s just
The one between
Heading no where fast
Sure
It s gonna last forever

Let me be the first
to wish you the worst
Cause I think you
Deserve each other
Let me the curse
That creeps
Under your skin
Until your heart
Caves in
And you wish
She was me

Let me be the first
To wish you the worst
Cause I think you
Deserve each other
Let me the curse
That creeps
Under your skin
Until your heart
Caves in
And you wish
She was me again

And again

And again

And again

Oh, you wish
You wish

You wish
You do

i think it s okay, really not perfect but okay=)
