

**Witness**

**Katy Perry**

**G**

If I lost it all today, would you stay?

**Em**

Could my love be enough to stimulate?

**Bm**

If shit hit the fan, grenades got thrown

**A**

Would you still show? Oh

**G**

Could you go down with me to the mat?

**Em**

Could we get back up and eventually laugh?

**Bm**

Roll eyes at highs, cheers in the lows

**A**

And stay in the flow, ooh

**G**

**Em**

Cause I, I only got this life

**Bm**

And I ain't got the time, no

**A**

Not to get it right, oh

**G**

We're all just looking for connection

**Em**

Yeah, we all want to be seen

**Bm**

I'm looking for someone who speaks my language

**A**

Someone to ride this ride with me

**G**

Can I get a witness? (Witness)

**Em**

Will you be my witness? (Witness)

**Bm**

I'm just looking for a witness in all of this

**A**

Looking for a witness to get me through this.

**G**

When you tell me everything, and there's no holes

**Em**

You can scroll through anything, you've got the codes

**Bm**

Nothing to hide, it's all in their eyes

**A**

And we just know, ooh

**G**

**Em**

Cause I, I only got this life

**Em**

And I ain't got the time, no

**A**

Not to get it right, oh

**G**

We're all just looking for connection
