Intro: GM7-C(x4)
                  D
                           Em
You can close you re eyes and tell me
             Bm C
That you are a visionary
         Em
And maybe you re a little scary
But you take my breath away
                 D Em
When you say you ll always be there
               Bm C
It paints such a lovely picture
            Em C
But no matter how you frame it
It s still pornography
 Em
Nobody seems to hear
C
Till I scream and shout
        D
Even if you tie me down
  Am C
And you blow my candle out
Chorus:
         GM7-C
I ll still glow
          Em C
I ll still glow
I ll be the perfect someone
```

that you ll never know

```
GM7-C(x2)
D
I ll still glow
                      D
                             Em
I see this girl with so much anger
            Bm
Pacified by holding strangers
             \mathbf{E}\mathbf{m}
Making peace with all her danger
Am
By looking in the mirror
The pureness in my name is gone now
                Bm
You ve taken it too far but somehow
                         Em
I ll lick my wounds and take the last bow
    Am
And hold my cold left hand
There s so many things
That you rant about
    Em
The only thing I know for sure
If you blow my candle out
Repeat Chorus
[guitar solo]
           GM7 C
I ll still glow
           Em C
I ll still glow
     \mathbf{Em}
I ll be the pertfect someone
Am
That you ll- that you ll never know
(Repeat Chorus)
```

You can close your eyes and tell me
