hey! this girl Katy looks like Avril!!! They re both pretty and talented if you compared them, They re also look alike to each other. I can t find any tabs on this song on the net so I decided to tab it though my self and it sounds 100% correct to me. This song sounds like GREENDAY s BRAIN STEW in the INTRO.

G#5
I wanna live before I die
G#Aug5
so don t say I have to cry
G#5
on one more freezing floor
G#Aug5
I ask you to open the door
E
and see how things could have gone
C#
The reason that it took so long
G#5
before you could figure out
F# **E**(hold)
that for so long I was about to break
C#
and there were no arms to keep me
G#5 **F#**

from harming me and now I m searchin back to see

E

how I never tried to ask for some sympathy

C#

G#5

cause no- nobody wants to ride with me too far

cause I might trip away

F#

but in your arms I d rather stay

I want you to understand

E

G#m

how I could be confused

C#

right after being used

G#m

but still your here in spite

F#(hold)

when I close my eyes to dream at night

E

I ve gotta keep my pants on

C#

G#m

I gotta check my pulse before I ve gone too far away

F#

E

to hurt so i think I ll stay around to hear ya breath

C#

saying all those words to me

G#m

F#

unraveling my fantasy while I drink my oleander tea
