He s scared but prepared it might be as he feared  
G A (H)

**Em**

This evening s too quiet, oh we need a real riot  
G A (H)  
to shake and to break and to bite like a snake.

**Em**

We re stuck in this attic so bored and so static,  
G A H

G A (H)

I long for an end and it s coming round the bend.

**Em**

If we live through this night and we d still be all right.
