

First Blood
Kavinsky

Let s go.

Hm

Hm

Never let him destruct you, worth to start the fight.
You re shiftin cause your brother shin, you step through the night.

G Em

I know you, I know you.

Hm

Know that there s a thunder deep inside of you.
It makes you think it s all a dream, it cannot be true.

G Em

We ll inhale, we ll inhale.

Hm C#m D Em G

Just follow me and go.

Hm C#m D Em G Em

Just follow me and go.

G A

It s not known what we ll do, they can break your heart.

Hm

Without love, without my desire.
I see a thing that is not real but I m still alive.

G Em

I know you, I know you.

Hm

And when the power comes from deep within.
I never ran a story that gon never begin.

G Em

We ll inhale, we ll inhale.

Hm C#m D Em G

Just follow me and go.

Hm C#m D Em G Em

Just follow me and go.

G A

This time know when we ll do,

Hm

They can break your heart again.
