Verse 1

Bb **Eb** **Bb**
Ridin by the river, don t know where this summer goes

F
Or why you stayed the night and then you left me all alone

Bb
Till I couldnt stay away

Eb **Bb**
And though you wouldnt change

F **Eb** **Bb**
Up your mind or your story in the morning

Bb
So these days I stay awake
Eb **Bb**
Through the twilight every day

F
Take another hit of something just to ease this pain away

Bb
But I couldnt bear to breathe

Eb **Bb**
In the dust from when you leave

F **Eb** **Bb**
So I cried and told my heart to just keep beating

Chorus

Eb **Bb** **F**
Two rights, well theyll never make a wrong

Eb **Bb** **F**
Unless you hold tight, to what you shouldnt hold on

Bb
Because youre mind will cloud the way

Eb **Bb**

And make you think loves gone away

F Eb Bb

Cross my heart Ill hope to die before its ending

Bb F Eb Bb Bb Bb Bb

Verse 2

Bb

So Im waitin everyday

Eb Bb

Though the answers never came

Tried to reach you through the mess

F

Of all mixed signals that you gave

Bb Eb Bb

Coz I wanted to believe that we couldve had something

Now Im learning not to

F Eb Bb

Throw myself to fast and suddenly

Chorus

Eb Bb F

Coz two rights, I dont know whats so wrong

Eb Bb F

Except you hold tight, to fears you shouldnt hold on

Bb

And your mind will cloud the way

Eb Bb

Make you believe the lies you say

F Eb Bb

Just to make you feel better while its ending

Bridge

Eb Eb Bb F

Ooooooooooooo

Verse 3

Bb

You say youd rather be alone

Eb Bb

Than love someone when you get home

While I understand your reasoning

F

Dont you think I shoulda known

Bb

But now its your fucking loss

Eb

Bb

Because you dont know what you got

F

So Ill find a man who proves to me that

Eb

Bb

now Im better off

Chorus
