Intro: C-G-Am-F(2x)

First stanza Until Last C-G-Am-F

Are those your eyes, is that your smile
I ve been lookin at you forever
But I never saw you before
Are these your hands holdin mine
Now I wonder how I could of been so blind

For the first time I am looking in your eyes
For the first time I m seein who you are
I can t believe how much I see
When you re lookin back at me
Now I understand why love is...
Love is... for the first time...

Can this be real, can this be true

Am I the person I was this morning

And are you the same you

It s all so strange how can it be

All along this love was right in front of me

For the first time I am looking in your eyes
For the first time I m seein who you are
I can t believe how much I see
When you re lookin back at me
Now I understand why love is...
Love is... for the first time...

Such a long time ago
I had given up on findin this emotion...
Ever again
But you live with me now
Yes I ve found you some how
And I ve never been so sure

And for the first time I am looking in your eyes For the first time I m seein who you are Can t believe how much I see When you re lookin back at me Now I understand why love is...

Love is... for the first time...
