

Clear Skies

Keane

(Am Bm11/A)

High on the bell tower
I took my view
Over the downtowns
On the avenues

(Am Bm11/A)

Where the streets are wide
And the people thrive
And it s further to fall down
Cause you fly so high

(Am Bm11/A)

I ve never seen such beauty
I ve never seen such clear skies
I ve never seen such high hopes
I ve never seen such tired eyes

F7M/C Am G

And I wish that I could be

F7M/C

Everything you are

Am G

Everything you are

(Am Bm11/A)

Down in the delta
The city wakes
Turns on the TV
As the levy breaks

(Am Bm11/A)

Where the streets are burned
From the hot summer sun
And there s nowhere to run to
When your time has come

(Am Bm11/A)

I ve never seen such beauty
I ve never seen such clear skies
I ve never seen such high hopes
I ve never seen such tired eyes

(Am Bm11/A)

Loop the loops up piece by piece
All that flashing all over me
Took my pills and went to sleep

Oh, and I sang myself to sleep

F7M/C **Am** **G**

And I wish that I could be

F7M/C

Everything you are

Am **G**

Everything you are

F7M/C **Am** **G**

And I wish that I could see

F7M

The world the way you do

Am **G**

As selfishly as you

Oooh

Solo 12x: **Am** **Bm11/A**

F7M/C **Am** **G**

And I wish that I could be

F7M/C

Everything you are

Am **G**

Everything you are

F7M/C **G**

And I wish that I could stick

F7M

My faith the way you do

Am **G**

As certainly as you

F7M/C **Am** **G**

Clear skies going to fall on you

F7M/C **Am** **G**

Clear skies going to fall on you

F7M/C **Am** **G**

Clear skies going to fall on you

F7M/C **Am** **G**

On you, on you.

F7M/C **Am** **G**

Clear skies going to fall on you

F7M/C **Am** **G**

Clear skies
