Track One: Somewhere Only We Know

Lyrics:

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river and it made me complete
Oh simple thing where have you gone?
I m getting old and I need something to rely on
So tell me when you re gonna let me in
I m getting tired and I need somewhere to begin
I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I ve been dreaming of?
Oh simple thing where have you gone?
I m getting old and I need something to rely on
So tell me when you re gonna let me in
I m getting tired and I need somewhere to begin
And if you have a minute why don t we go
Talk about it somewhere only we know?
This could be the end of everything
So why don t we go
Somewhere only we know?
Oh simple thing where have you gone?
I m getting old and I need something to rely on
So tell me when you re gonna let me in
I m getting tired and I need somewhere to begin
And if you have a minute why don t we go
Talk about it somewhere only we know?
This could be the end of everything
So why don t we go
So why don t we go
Oooâ€|
This could be the end of everything
So why don t we go
Somewhere only we know?
Somewhere only we know
Somewhere only we know

Track Two: Bend And Break

When you, when you forget your name
 When old faces all look the same
 Meet me in the morning when you wake up
 Meet me in the morning then you ll wake up
 If only I don t bend and break
 I ll meet you on the other side
 I ll meet you in the light
 If only I don t suffocate
 I ll meet you in the morning when you wake
 Lovesick bitter and hardened heart
 Aching waiting for night waiting for life to start
 Meet me in the morning when you wake up
 Meet me in the morning then you ll wake up
 If only I don t bend and break
 I ll meet you on the other side
 I ll meet you in the light
 If only I don t suffocate
 I ll meet you in the morning when you wake
 Ooo
 If only I don t bend and break
 I ll meet you on the other side
 I ll meet you in the light
 If only I don t suffocate
 I ll meet you in the morning when you wake
 I ll meet you on the other side
 I ll meet you in the light
 If only I don t suffocate
 I ll meet you in the morning when you wake

Track Three: We Might As Well Be Strangers

Lyrics:

I don t know your face no more
Or feel the touch that I adore
I don t know your face no more
It s just a place I m looking for
We might as well be strangers in another town
We might as well be living in a different world
We might as well, we might as well, we might as well
I don t know your thoughts these days
We re strangers in an empty space
I don t understand your heart
It s easier to be apart
We might as well be strangers in another town
We might as well be living in another time
We might as well, we might as well, we might as well
Be strangers
Be strangers
For all I know of you now
For all I know of you now
For all I know of you now
For all I know

Track Four: EVERYBODY S CHANGING

Lyrics:

You say you wander your own land
But when I think about it, I don t see how you can
You re aching, you re breaking, and I can see the pain in your eyes
Says everybody s changing and I don t know why
So little time

Try to understand that I m
 Trying to make a move just to stay in the game
 I try to stay awake and remember my name
 But everybody s changing and I don t feel the same
 You re gone from here, soon you will disappear, fading into beautiful light
 Cos everybody s changing and I don t feel right
 So little time
 Try to understand that I m
 Trying to make a move just to stay in the game
 I try to stay awake and remember my name
 But everybody s changing and I don t feel the same
 So little time
 Try to understand that I m
 Trying to make a move just to stay in the game
 I try to stay awake and remember my name
 But everybody s changing and I don t feel the same
 Oh everybody s changing and I don t feel the same

Track Five: YOUR EYES OPEN

Lyrics:

Well it s a lonely road that you have chosen
 Morning comes and you don t want to know me anymore
 And it s a long time since your heart was frozen
 Morning comes and you don t want to know me anymore
 For a moment your eyes open and you know
 All the things I ever wanted you to know
 I don t know you and I don t want to
 Till the moment your eyes open and you know
 That it s a lonely place that you have run to
 Morning comes and you don t want to know me anymore
 And it s a lonely end that you will come to
 Morning comes and you don t want to know me anymore
 For a moment your eyes open and you know
 All the things I ever wanted you to know
 I don t know you and I don t want to
 Till the moment your eyes open and you know
 For a moment your eyes open and you know
 All the things I ever wanted you to know
 I don t know you and I don t want to

Till the moment your eyes open and you know

Track Six: SHE HAS NO TIME

Lyrics:

You think your days are uneventful
And no one ever thinks about you
She goes her own way
She goes her own way
You say your days are ordinary
And no one ever thinks about you
But we re all the same
And she can hardly breathe without you
She says she has no time
For you now
She says she has no time
Think about the lonely people
Then think about the day she found you
Or lie to yourself
And see it all dissolve around you
She says she has no time
For you now
She says she has no time
For you now
She says she has no time
Lonely people tumble downwards
My heart opens up to you
When she says
She has no time
For you now
She says she has no time
For you now
She says she has no time

Track Seven: CAN T STOP NOW

Lyrics:

I noticed tonight that the world has been turning
 While I ve been stood here dithering around
 Well I know I said I d wait around till you need me
 But I have to go, I hate to let you down
 But I can t stop now
 I ve got trouble of my own
 Cos I m short on time
 I m lonely and I m too tired to talk
 I noticed tonight that the world has been turning
 While I ve been stood here withering away
 Well I know I said I wouldn t leave you behind
 But I have to go, it breaks my heart to say
 That I can t stop now
 I ve got troubles of my own
 Cos I m short on time
 I m lonely and I m too tired to talk
 To no one back home
 I ve got troubles of my own
 And I can t slow down for no one in town
 No I can t stop now
 And I can t slow down for no one in town
 And I can t stop now for no one
 The motion keeps my heart running
 The motion keeps my heart running
 The motion keeps my heart running
 The motion keeps my heart running

Track Eight: SUNSHINE

Lyrics:

I hold you in my hands
A little animal
And only some dumb idiot
Would let you go
But if I m one thing
Then that s the one thing
I should know
Can anybody find their home
Out of everyone can anybody find their home
I hold you in cupped hands
And shield you from a storm
Where only some dumb idiot
Would let you go
But if I m one thing
Then that s the one thing
I should know
Can anybody find their home
Out of everyone can anybody find their home
Lost in the sun can anybody find their home
Come on, come on, come on, can anybody find their home
Oh, can anybody find their home
Out of everyone can anybody find their home
Lost in the sun can anybody find their home
Come on, come on, come on, can anybody find their home

Ooo, and on and on and on on on on...

Track Nine: THIS IS THE LAST TIME

Lyrics:

This is the last time
That I will say these words
I remember the first time
The first of many lies
Sweep it into the corner
Or hide it under the bed
Say these things they go away
But they never do

Something I wasn't sure of
 But I was in the middle of
 Something I forget now
 But I've seen too little of
 The last time
 You fall on me for anything you like
 Your one last line
 You fall on me for anything you like
 And years make everything alright
 You fall on me for anything you like
 And I, no I don't mind
 This is the last time
 That I will show my face
 One last tender lie
 And then I'm out of this place
 So tread it into the carpet
 Or hide it under the stairs
 You say that some things never die
 Well I tried and I tried
 Something I wasn't sure of
 But I was in the middle of
 Something I forget now
 But I've seen too little of
 The last time
 You fall on me for anything you like
 Your one last line
 You fall on me for anything you like
 And years make everything alright
 You fall on me for anything you like
 And I, no I don't mind
 The last time
 You fall on me for anything you like
 Your one last line
 You fall on me for anything you like
 And years make everything alright
 You fall on me for anything you like
 And I, no I don't mind

Track Ten: ON A DAY LIKE TODAY

Lyrics:

On a day like today
I looked at you and I
Saw something in the way
You stared into the sky
I saw you, were sick and tired of my wrong turns
If you only knew, the way I feel
I d really love to tell you
But I
Could never seem to say
The things I needed to
On a day like today
No other words would do
I saw you, were sick and tired of my wrong turns
If you only knew, the way I feel
I d really love to tell you
But I
Can never find the words to say
And I don t know why
I can t find the words to say
And I don t know why
I can t find the words to say
And I don t know why
I can t find the words to say
And I don t know why
And I don t know why
And I don t know why
And I don t know why
I saw you
Were sick and tired of my wrong turns
If you only knew, the way I feel
I d really love to tell you
But I
Can never find the words to say
And I don t know why
I can t find the words to say
And I don t know why

Track Eleven: UNTITLED 1

Lyrics:

A house on fire
A wall of stone
A door that once was open
An empty face and empty bones
Who ate your heart?
You re cold inside
You re not the one I hoped for
I ll see you on the other side
I ll see you on the other side
The wind wouldn t blow me home
To lie in your heart of hearts
Will I ever see you again
And lie in your heart of hearts
Who ate your heart?
You re cold inside
You re not the one I hoped for
I ll see you on the other side
I ll see you on the other side
The wind wouldn t blow me home
To lie in your heart of hearts
Will I ever see you again
And lie in your heart of hearts

Track Twelve: Bedshaped

Lyrics:

Many s the time I ran with you down
The rainy roads of our old town
Many the lives we lived in each day
And buried altogether

Don t laugh at me
Don t look away
You ll follow me back
With the sun in your eyes, and on your own
Bedshaped, and legs of stone
You ll knock on my door, and up we ll go
In white light, I don t think so
But what do I know, what do I know?
I know
I know you think I m holding you down

And I ve fallen by the wayside now
And I don t understand the same things as you
But I do
Don t laugh at me
Don t look away
You ll follow me back
With the sun in your eyes, and on your own
Bedshaped, and legs of stone
You ll knock on my door, and up we ll go
In white light, I don t think so
But what do I know, what do I know?
I know
And up we ll go
In white light, I don t think so
But what do I know, what do I know?
I know
