

I Need Your Love

Keane

D Bm
I see your face like a vision of god

G A
I shiver and shake and I m lost in the flood

A4 A
Nothing else matters, the world disappears

D G A
I can t breathe and I can t think until I taste your kiss

D A/C# Bm
Give me some signal, say that you understand

G A
The meanest of scrap baby dropped from your hand

A4 A
This hunger I feel is sure to be satisfied

D D/F# G
I know nothing else is gonna ease this ache inside

A D
I need your love

D4 D G
I need your love, I need your love, I need your love

Em Bm A
Can t give it up, I need your love

D A/C# Bm
Love me just a little and I will give you my life

G A
Throw your arms around me, shelter me like a child

A4 A
Be my direction, throw myself at your feet

D D/F# G
Give me something in return for what you ve done to me

A D
I need your love

D4 D G
I need your love, I need your love, I need your love

Em Bm
Can t give it up, I need your love

A D
Let glory come

D4 D G
Let riches rain upon my head, these golden drugs

Em Bm
They re not enough, I need your love

I need your love
I need your love, I need your love, I need your love
Can't give it up

A

G

Just give me something in return for what you've done to me

D

I need your love

D4

D

D/F#

G

I need your love, I need your love, I need your love

Em

Bm

Can't get enough, I need your love

A

D

Let glory come

D4

D

G

Let riches rain upon my head, these golden drugs

Em

Bm

They're not enough, I need your love
