

In Your Own Time

Keane

Hi everyone! This is my first tab (I Love Keane s new album and I realized no one uploaded the chords so I decided to give it a try) so please be kind :) I don t know if these are the proper chords but it sounds good to me. I play it with the capo on the third fret. Any correction/recommendation will be of course highly appreciated :) Enjoy!

CAPO ON THIRD FRET

Keane- In your own time (Strangeland)

C
You ve got nowhere to go
C
Got no way out of this hole
Bb F C G
Got no one to say it s all just the way things are
C
Wouldn t it be good
C Bb
To look into a brighter day
F C G
It s just the way things are

C F
In your own time
G C
There s no map to guide our way
F G
So I say nothing, you say nothing
C F
In your own way
G C
Thought I could help you find your place
F G C
But I m as lost as you are lost these days

C
Oh wouldn t it be fine
C Bb
To close your eyes and see something
F C G
Something more than this

C **F**
 In your own time
G **C**
 There s no map to guide our way
F **G**
 So I say nothing, you say nothing
C **F**
 In your own way
G **C**
 Thought I could help you find your place
F **G**
 But I m as lost as you are lost
Am **G**
 It s not the way

G **Am**
 Things are going to change, you know
F **G** **Am**
 The battles you have fought won t go to waste, you know
F **G**
 The things are gonna change,
G **C-F-G-C-F-G**
 It just takes time

C **F**
 In your own time
G **C**
 There s no map to guide our way
F **G**
 So I say nothing, you say nothing
C **F**
 In your own way
G **C**
 Thought I could help you find your place
F **G**
 But I m as lost as you are lost
Am F G
 It s just the way
Am F G
 It s just the way
Am F G
 It s just the way
Am F G C
 It s just the way
