

Its Not True Keane

Artist: Keane
Album: Strangeland
Song: It s Not True

Very easy song to play.

Intro: **G C** x2

G **C**
You ve been watching dawn from the gutter,
G **C**
Trading one bad move for another
G **C**
It s been a stormy night, but it s almost through
G **C**
Friends you won t stop don t know you,
G **C**
Even your own eyes don t know you
G **C**
You think this whole world s trying to bury you
C G D
But it s not true
G C C G C
So don t you say there s something in your core that can t be said,
C G D
(It s not true)
G C C G C
Cause it s not true, and every atom of my heart is missing you

Well, it s okay to be scared when
You re stuck behind a door that won t open
The shadows in your dreams that are chasing you,
They re not true

So don t you say there s something in your core that can t be said
(It s not true)
Cause it s not true, and every atom of my heart is missing you

G C
The good will come through

G **D** **C** **D**

I wish that you could feel it the way you used to

G **D** **C** **D**
I wish you could believe it the way you used to, the way you used to
