**Keane**

Artist: Keane  
Album: Strangeland  
Song: It s Not True

Very easy song to play.

Intro: **G C** x2

**G** **C**  
You ve been watching dawn from the gutter,  
**G** **C**  
Trading one bad move for another  
**G** **C**  
It s been a stormy night, but it s almost through  
**G** **C**  
Friends you won t stop don t know you,  
**G** **C**  
Even your own eyes don t know you  
**G** **C**  
You think this whole world s trying to bury you  
**C G D**  
But it s not true  
**G C C G C**  
So don t you say there s something in your core that can t be said,  
**C G D**  
(It s not true)  
**G C C G C**  
Cause it s not true, and every atom of my heart is missing you

```

Well, it s okay to be scared when  
You re stuck behind a door that won t open  
The shadows in your dreams that are chasing you,  
They re not true

So don t you say there s something in your core that can t be said  
(It s not true)  
Cause it s not true, and every atom of my heart is missing you

**G C**  
The good will come through

G D C D  
I wish that you could feel it the way you used to

G D C D  
I wish you could believe it the way you used to, the way you used to
