## Its Not True Keane

Artist: Keane Album: Strangeland Song: It s Not True Very easy song to play. Intro: G C x2 G You ve been watching dawn from the gutter, Trading one bad move for another It s been a stormy night, but it s almost through Friends you won t stop don t know you, Even your own eyes don t know you You think this whole world s trying to bury you G But it s not true So don t you say there s something in your core that can t be said, G (It s not true)

Cause it s not true, and every atom of my heart is missing you

Well, it s okay to be scared when You re stuck behind a door that won t open The shadows in your dreams that are chasing you, They re not true

Cause it s not true, and every atom of my heart is missing you

G C

The good will come through

G D
I wish that you could feel it the way you used to
G D C D
I wish you could believe it the way you used to, the way you used to
