

Its Not True
Keane

Artist: Keane
Album: Strangeland
Song: It s Not True

Very easy song to play.

Intro: **F# B** x2

F# **B**
You ve been watching dawn from the gutter,
F# **B**
Trading one bad move for another
F# **B**
It s been a stormy night, but it s almost through
F# **B**
Friends you won t stop don t know you,
F# **B**
Even your own eyes don t know you
F# **B**
You think this whole world s trying to bury you
B F# C#
But it s not true
F# B B F# B
So don t you say there s something in your core that can t be said,
B F# C#
(It s not true)
F# B B F# B
Cause it s not true, and every atom of my heart is missing you

```

|E-----|
```

Well, it s okay to be scared when
You re stuck behind a door that won t open
The shadows in your dreams that are chasing you,
They re not true

So don t you say there s something in your core that can t be said
(It s not true)
Cause it s not true, and every atom of my heart is missing you

F# B
The good will come through

F#	C#	B	C#
	I wish that you could feel it the way you used to		
F#	C#	B	C#
	I wish you could believe it the way you used to, the way you used to
