My Shadow Keane

(D7M A F # m E)

It s time to make a start To get to know your heart Time to show your face Time to take your place

(D7M A F # m E)

In every speck of dust In every universe When you feel most alone You will not be alone

Just shine a light on me

E D E Shine a light

I ll shine a light on you

D

Shine a light

F#m E

And you will see my shadow

On every wall

F#m E

And you will see my footprints

On every floor

(D7M A F#m E)

(D7M A F#m E)

It only takes a spark To tear the world apart These tiny little things That make it all begin

D

Just shine a light on me

E D

Shine a light

I ll shine a light on you

Shine a light

E F#m E D

```
And you will see my shadow
   E D
On every wall
              E
                  D
And you will see my reflection
 E D
In your freefall
(F#m E D)
Ooooooooh
Ooh ooh
Oooooooh
Ooooh ooh
          D
Just shine a light on me
E D E
Shine a light
I ll shine a light on you
Shine a light
                           A E
                                    F#m
Cuz when your back s against the wall
That s when you show no fear at all
And when you re running out of time
That s when you hitch your star to mine
We won t be leaving by the same road (4x)
          F#m D A Esus4
That we came by
( D E )
Ooooooooh
Ooh ooh
Ooooooooh
Ooooh ooh ooh
