

On The Road

Keane

Intro: A D A (2X)

E A

Have you been feeling that pull? A D A

And are you hearing that call? A D A

E A D A

Cause you ve got everything that you need to make a start

I had a dream of my own A D A

Just walking out of my home A D A

And going I don t know where to sleep beneath the stars A D A E

Your whole life lies ahead D A

It s just around the bend E

So when the sun is coming up and you go A D A

And there s still so many things you don t know A D A

Don t you look back, I ve no doubt that I A D A E
Will see you on the road

When the world s laying you low A D A

Why don t you let me carry your load? A D A

When things get bad you know you ll have a friend A D A E

All along the road A D A (2x)

And I would love it sometime A D A

If you would walk at my side A D A

Going I don t know where to sing beneath the stars A D A E
D A

If in your life you need a hand
