

Phases

Keane

[Intro] B G#m F#
B G#m F#

B G#m F#
A plan is a work of art
B G#m E
A house build to fall apart

F#
You re digging for the answers
F#4 F#
Crawl across the world to find
B
There are just more questions
D#m
Waiting on the other side
E
But you re still here
F#
You re bleeding but you re still here

B D#m D#m9
Phases, the motion of our lives
E B F#
Ages, the rote of changes

B D#m D#m9 E
Erases the ink before it dries on pages
F#4 F#
It s all just phases

(B G#m F#)

B G#m F#
We salvage the parts we can
B G#m E
And work on a better plan

F#
Always on the outside
F#4 F#
Fingers clinging on so tight
B
Kicking at the window
D#m
Dreaming of a better life
E

Take what you can

F#4

F#

Just got to take what you can

B

D#m

D#m9

Phases, the motion of our lives

E

B

F#

Ages, the rote of changes

B

D#m

D#m9

E

Erases the ink before it dries on pages

F#4

F#

It s all just phases

B

D#m

D#m9

And sometimes you feel how good it is

E

B

F#

And low tide gives way to high tide

B

D#m

D#m9

And hard times, we watch them come and go

E

Like crazes

F#4

F#

It s all just phases
