

Put It Behind You
Keane

C **Dm**
Times goes by at such a pace
F **G**
It s funny how it s easy to forget her face
C **Dm**
You hide the cracks, the facts will find you
F **G** **F**
Turn your back and leave the lonely days behind you now

D/F#
You better it put it behind you now
F9-
You better it put it behind you now
C **G/B** **F**
Too much to hold on, hold on to
D/F#
You better it put it behind you now

C **Dm**
All the things you took for granted
F **G**
Hit you like a bullet in the gut
C
You can t get up
Dm
Well, are you gonna even try?
F
Cause if you never even try
G **F**
Time will pass you by

D/F#
You better it put it behind you now
F9-
You better it put it behind you now
C **G/B** **F**
Too much to hold on, hold on to
D/F#
You better it put it behind you now

F9-
You better it put it behind you now
C **G/B** **F**
Too much to hold on, to hold on to
D/F#
You better do what s best for you

(C Dm F G) 2x

F **D/F#**

Don t care what she said

F9- **C G/B**

It s only in your head

F **D/F#**

Time will help you out

F|9- C G/B F

Still you don t see how

D/F#

You better it put it behind you now

F9-

You better it put it behind you now

C G/B F

Too much to hold on, to hold on to

D/F# C

You better do what s best for you
