

Sea Fog
Keane

A **F#m** **D**
The sun bleeds in, hear the magpie sing for sorrow

A
It makes things better

A **F#m** **D**
Maybe we ll get to spread our wings tomorrow

A
If luck will let us

Bm **C#m** **F#m** **A**
Can anyone fly into these grey skies?

Bm **D** **A**
Is there somewhere we re meant to be?

F#m **E**
Sea Fog comes like a river

D **A**
Rolls a stone, it s rolling in

A **F#m** **D**
I missed my turn in the dark I hear your voice

A
It makes things easy

A **F#m**
I strayed too far from the road

D **A**
Wish you could always make things easy

Bm **C#m** **F#m** **A**
And I won t fight through the rising tide

Bm **D** **A**
If that s the way it has to be

F#m **E**
Sea Fog comes like a river

D **A**
Rolls a stone, its rolling in

F#m **E**
Sea Fog comes like a river

D **A** **C#m**
Rolls a stone, its rolling in

F#m **A** **D** **C#m**
Sea Fog rolling

F#m **A** **D** **C#m**
