

Something In Me Was Dying
Keane

INTRO (4x) :

G	Gsus4	Bm		Bm	Bmadd9-	
---	-------	----	--	----	---------	--

VERSE 1:

G Bm7
 Something in me was dying
 Em D
 And my heart was heavy as stone
 C Em6/C#
 Hard as i was trying
 Am D ...
 I never could find, find my way home

And your voice came out of nowhere
Be my friend and give me your hand
Let s take off together
And then we can live wherever we land

2x INTRO CHORDS

VERSE 2: (the same chords as verse 1)

Something in me was broken
And my thoughts were bitter and ill
My world was blown open
And I couldn't see and I couldn't feel

You said be yourself and think of me
And you ll know there s nothing to fear
Let s make plans together
It s time to move on and get out of here

BRIDGE :

Am G
Girl i need you
C Am
Don t know what I would do
Am D G G5 (Gsus4)
Will you see the story through

Am G
It s a cruel world
 C Am

And I need somewhere to hide
Am Bm7
But time goes by
C D
And your still on my side

VERSE 3: (the same chords as verse 1)

Something in me was sinking
Cause my heart was heavy as stone
I gave up with thinking
I never would find, find my way home

And your voice came out of nowhere
Be my friend and give me your hand
Let s take off together
And then we can live wherever we land

BRIDGE:

Girl i need you
Don t know what i would do
Will you see the story through

It s a cruel world
And i need somewhere to hide
The time goes by and your still on my side

INTRO chords till the end...

Waiting
Searching
Turning over
Running round in circles
And i ve worn myself out
Hoping that we ll always be together
yeah we ll always be together
