

Something In Me Was Dying
Keane

INTRO (4x):

G Gsus4 Bm | Bm Bmadd9- |

VERSE 1:

G Bm7
Something in me was dying
Em D
And my heart was heavy as stone
C Em6/C#
Hard as i was trying
Am D ...
I never could find, find my way home

And your voice came out of nowhere
Be my friend and give me your hand
Let s take off together
And then we can live wherever we land

2x INTRO CHORDS

VERSE 2: (the same chords as verse 1)

Something in me was broken
And my thoughts were bitter and ill
My world was blown open
And I couldn t see and i couldn t feel

You said be yourself and think of me
And you ll know there s nothing to fear
Let s make plans together
It s time to move on and get out of here

BRIDGE:

Am G
Girl i need you
C Am
Don t know what I would do
Am D G G5 (Gsus4)
Will you see the story through

Am G
It s a cruel world
C Am

And I need somewhere to hide

Am Bm7

But time goes by

C D

And your still on my side

VERSE 3: (the same chords as verse 1)

Something in me was sinking

Cause my heart was heavy as stone

I gave up with thinking

I never would find, find my way home

And your voice came out of nowhere

Be my friend and give me your hand

Let s take off together

And then we can live wherever we land

BRIDGE:

Girl i need you

Don t know what i would do

Will you see the story through

It s a cruel world

And i need somewhere to hide

The time goes by and your still on my side

INTRO chords till the end...

Waiting

Searching

Turning over

Running round in circles

And i ve worn myself out

Hoping that we ll always be together

yeah we ll always be together
