The lovers are losing

I dreamed I was watching
The young lovers dance
I reached out to touch your hair
But I was watching from a distance

We cling to love like a skidding car
Clings to a corner
I tried to hold onto what we are
The more I squeeze, the quicker we re over

You take the pieces of the dreams that you have
Cos you don t like the way they seem to be going
You cut them up and spread them out on the floor
You re full of hope as you begin rearranging
Put it all back together
But any way you look at this
Looks like
The lovers are losing

I dreamed I had nothing at all; Nothing but my own skin
I dreamed I had nothing at all; Nothing but my own skin
I dreamed I had nothing at all; Nothing but my own skin
I dreamed I had nothing at all; Nothing at all

You take the pieces of the dreams that you have
Cos you don t like the way they seem to be going
You cut them up and spread them out on the floor
You re full of hope as you begin rearranging
Put it all back together
But any way you look at this
Looks like
The lovers are losing

You take the pieces of the dreams that you have
Cos you don t like the way they seem to be going
You cut them up and spread them out on the floor
You re full of hope as you begin rearranging
Put it all back together
But in the final reckoning
Looks like
The lovers are losing
