

About Sophie  
Keaton Henson

C Am Em F  
She s an unwelcome shudder on the worst of her days  
Am C F C  
And despite the bad moods, she won t go away  
C Am Em F  
She s as stubborn as winter and as kind as the sun  
Am C F C  
And she won t freeze or burn anyone  
C Am Em F  
On most days she drives me home, out of her way  
Am C F C  
And when I say Drive safe I mean it, today

C Am Em F  
Cause I m a tough luck friend  
Am Em F  
I ll reckon she ll stay with me, til the end  
Em F C  
And it means more than I pretend

C Am Em F  
Her car s like a sauna made mostly of smoke  
Am C F C  
And it glides back to hers, most late nights like a ghost  
C Am Em F  
And nothing is said unless it needs to be  
Am C F C  
I ll watch a movie, she ll fall asleep  
C Am Em F  
She s one of those who when you re talking, you ll see  
Am C F C  
She s really listening to someone like me  
Am C F C  
Why was she listening to someone like me?

C Am Em F  
Cause I m a tough shit friend  
Am Em F  
And I ll reckon she ll stay with me til the end  
Em F C  
And it means more than I pretend

( C F C F )

Am Em F C  
And I know I m awful, I can t even cry  
Am Em F C

It s about time I told her and looked in her eyes

**Am**                    **Em**                    **F**                    **G**

You re my best friend, I ll love you til one of us dies

**Am**                    **Em**                    **F**                    **G**

You re my best friend, I ll love you til one of us dies

**Am**                    **Em**                    **F**                    **C**

You re my best friend, I ll love you til one of us dies
